Women Supporting Women Receives Grant from Richard A. Henson Foundation

Salisbury, MD – February 24, 2025 - [Women Supporting Women](http://www.womensupportingwomen.org) has received a generous \$30,000 grant from the Richard A. Henson Foundation.

In September of 2024, WSW was awarded a \$30,000 grant through the Richard Henson Foundation. In the application, the organization asked that the funds be distributed over the next three years. When asked how the funds will aid the organization, Executive Director, Jocelyn Feist, stated, "This funding will continue to provide free services to those affected by breast cancer, as we too, are noticing the financial burden of rising costs. With the Richard A. Henson Foundation's continued support for three years, WSW will be able to focus on the survivors and their family members during an overwhelming time. Especially, for those in our community who may need a little extra support and guidance".

Feist stated, "We as a small, yet mighty local breast cancer non-profit cannot thank the Richard A. Henson Foundation enough for their generous support. As someone who talks with and meets these amazing individuals at their most Earth-shattering time, this contribution means so much, we can't even put into words. I am incredibly grateful for the support of the Richard A. Henson Foundation".
